

ECCN - DETERMINATION

All 9 Categories of CCL Covered

GTK ECCN covers all CCL categories with proactive updates.

Decisions At Your Fingertips

Patented, easy to use, decision tree tool designed in the form of questions and answers.

Who Did What And When

Automatically documents each step of the classification process for due diligence and recordkeeping.

Ditch The Office

Web-Based - traveling, working at home, or at a Starbucks - doesn't matter - just log in and get it done.

8 Short Cuts

Simplify with short-cut/index classifications of common, but difficult to classify products.
